No actual sample of the design shall be provided to the bidders, however, high resolution soft copies of the items' designs were uploaded in Philgeps, and may be emailed to prospective bidders upon written or email request to the BAC.
Will bidders receive soft copies of the logos and layout (high resolution) so we can have a clearer image of the sample designs?	High-resolution soft copies of the logos shall be emailed to the prospective bidder upon written or email request to the BAC.
[For the project Trucking Services for Pull-Out and Transfer of Sports Supplies and Various Equipment from Mexico, Pampanga to Maybunga, Pasig City] Can we use the delivery of sporting goods project as a single largest contract for a trucking?	Under ITB Clause No. 5.3 of the Bidding Documents for this project, similar project for purposes of the submission of the Single Largest Completed Contract (SLCC) should be Provision of Trucking Services completed within 3 years prior to the deadline for the submission and receipt of bids.
For the financial documents regarding NFCC, what would be the multiplier (k)? We want to inquire if you will allow us to submit the proof of application for our tax clearance. We	The Government Procurement Policy Board, in NPM No. 26-2016, stated that EO 398 specifically

have an ongoing application for this, but we are unsure if the BIR can release it **before Oct. 26**, which is the deadline or the closing of the bid for the hauling project from Pampanga to Pasig. This is also a requirement for the renewal of our Platinum Membership in Philgeps.

requires the submission of Tax Clearance issued by the BIR which should be in the form defined in RR 3-2005. Hence, the submission of other documents in lieu of the Tax Clearance requirement, cannot be considered in compliance with Sections 23.1(a)(iii) and 24.1(a)(iii) of the IRR of RA 9184.

The GPPB likewise stated that since the Tax Clearance is now included as part of the Class "A" legal eligibility documents, its non-submission is a ground for ineligibility, and the eventual disqualification of the bidder.

Thus, the winning bidder who presented the photocopy of the Official Receipt from the BIR during the submission of bids, as well as the original Official Receipt during the Post-Qualification may be disqualified for failure to submit the original Tax Clearance as defined under EO 398.

Further, in NPM No. 65-2017, the GPPB stated that for purposes of complying with the eligibility requirements, the Tax Clearance, and all other eligibility documents, must be valid and existing at the time it is submitted to the BAC, that is, on or before the deadline for the submission of bids. Thus, an expired Tax Clearance shown in Annex A of the PhilGEPS Platinum Certificate shall not be considered as sufficient compliance, without the new and valid Tax Clearance attached in the bid submitted by the bidder. The belated submission of the Tax Clearance during the post-qualification shall be considered a modification or improvement of the bid, which is not allowed under Section 26 of the 2016 Revised IRR.

Please be guided accordingly.
